Adopt-A-School Partnership

The Adopt-A-School Partnership connects corporations with local high schools through a program. This partnership provides a meaningful way for companies to invest in opportunities that create real impact.

which has five fundamental goals.

LEADERSHIP DEVELOPMENT

Enhancing personal and professional leadership capabilities.

CAREER DEVELOPMENT

Preparing for future careers through practical experiences and networking.

SOCIAL AWARENESS

Building empathy and understanding within diverse environments.

CIVIC AWARENESS

Encouraging active participation in community and civic engagements.

COMMUNITY SERVICE

Contributing positively to the community through volunteerism.

Why Partner with Y.O.U.?

A leader in youth workforce development, Y.O.U. has empowered the future workforce for over 40 years. Through our many work-based and school-based programs, Youth Opportunities Unlimited supports thousands of teens and young adults ages 14-24 in Northeast Ohio.

By adopting a JOG school, your company will:

Empower local youth to succeed academically and professionally

Develop employee engagement through high-impact volunteerism

Build your brand reputation as a community partner and workforce champion

Create a lasting legacy by inspiring the next generation of Cleveland's workforce
