INVESTING IN FUTURE LEADERS

Empower Northeast Ohio's Youth by Donating Today!

In 2024, Youth Opportunities Unlimited (Y.O.U.) led the way in youth workforce development, providing not just jobs but crucial support services to foster success and resilience. From career preparation to mentorship, Y.O.U. builds a foundation for each young person's journey.

This year, over 1,700 youth earned \$3 million in wages, thousands participated in career advising and readiness programs, and our internship program, with a 100% completion rate, offered guidance in fields that inspire career dreams. Your donation supports essential job training, guidance, and career development that empower our community's future leaders.

Thank you for supporting Y.O.U.!
